Scott Milo Gallery is celebrating our 28th year, offering custom picture framing and regional fine art. We are an art destination worth the journey! The gallery features 60 regional artists, plus a few prestigious art association groups' shows every year. We specialize in exhibiting a variety of mediums, spotlighting the talents of our regional artists. It is our tradition to open a new art show each month at the First Friday Artwalk and have a reception that evening so clients can talk with the artists and hear the stories behind the creations and learn about the diverse creative processes. At Scott Milo Gallery, we are committed to working with artists to grow their collector base and many of our artists have shown in the gallery for over 20 years! We are proud of nurturing valuable partnerships in the arts. It is always satisfying to walk into a home and see some of the finest artwork displayed and know that Scott Milo Gallery has played a part in finding a perfect home for a piece.

Each piece of artwork offers clients a respite from the ordinary grind of life.
